## Chapter 36

"No problem." Zhao Tianyu's words were answered quickly, with a smile on his face.

Zhou Manchun follows him to a card seat. The flashing light stabs her eyes from time to time. Zhou Manchun feels very uncomfortable. She really hates the bar.

"Have a drink first." Zhao Tianyu handed the glass to Zhou Manchun and said.

Zhou Manchun is biting her lips, her eyes are wide and her heart is very uneasy. She takes the glass slowly and says firmly, "you must promise me that I will drink with you tonight, and you will let my father go."

Zhao Tianyu narrowed his eyes and said with a smile: "that's nature."

In fact, Zhao Tianyu wanted to sleep with Zhou Manchun. He spent three years with Zhou Manchun. He had been a gentleman for three years. He had several hints and they were all good opportunities, but Zhou Manchun refused him. Zhao Tianyu would not let go of such a good opportunity tonight.

Zhou Manchun is not a fool. She drinks very slowly, but Zhao Tianyu has been drinking beside her. It seems to be more painful than her. Zhou Manchun can't understand. Since he has got everything he wants now, why bother himself!

"Xiaochun, do you know? Your eyes are very beautiful..." Zhao Tianyu suddenly hugged Zhou Manchun tightly, and the masculine breath came to her face. Before, Zhou Manchun had not been hugged like this, but tonight, Zhou Manchun felt disgusted.

"You drink too much." Zhou Manchun wants to push Zhao Tianyu away. She desperately struggles to lean back and distance with Zhao Tianyu.

"Xiaochun, how about being my woman and living with me? I promise you food and clothing, everything you want, I will give you." Zhao Tianyu was drunk, and his eyes were a little red. He looked like he had a lot of worries, which confused Zhou Manchun.

"Zhao Tianyu, don't pretend. You've got everything you want now. You're still here pretending to be frustrated with me! It's me, not you, who should be sad!" Zhou man was so angry that he tried his best to push Zhao Tianyu away. Her roar attracted the attention of the people around her, and they all looked at her with blazing eyes.

Including Jin Beisen who drinks in her back seat. But tonight, Jin Beisen did not meet her. He followed Zhou Manchun.

Jin Beisen installed a tracker in Zhou Manchun's mobile phone. No matter where Zhou Manchun is, Jin Beisen can know.

"What do you know? I also have difficulties, Xiaochun, so many years, have you tried to understand my family?" Zhao Tianyu seems to be very aggrieved. He excitedly drags Zhou Manchun and forces her to the corner.

The air around her is getting thinner and thinner, and Zhou Manchun has no way to go back. She is short of breath, red faced and nervous.

"I didn't ask because I wanted to wait for you to tell me, but you didn't." Zhou Manchun blinked and looked innocent.

"You don't care about me!"

After watching for a while, they understood after listening to the conversation. It was a quarrel between the two. Naturally, it broke up. What should I do.

But Jin Beisen's eyes became deep, and his long fingers held up the red wine glass, which also looked careless.

OK, Zhou Manchun, come to the bar to meet his ex boyfriend!

## Chapter 37

"Wife, who is this man?" Jin Beisen hurriedly walked past and held Zhou Manchun in his arms, looking affectionately at Zhou Manchun's stunned eyes.

Zhou Manchun blinked, unable to say his surprise. Why is Jin Beisen here?

"You Why are you here?" Zhou Manchun opened his mouth and asked uneasily.

"I'm worried about you. You said you were going to see scum today. Can I not come?" Jin Beisen holds Zhou Manchun in his arms and his fingers are white. His flirtatious tone is like declaring war on Zhao Tianyu and swearing his sovereignty.

Zhou Manchun is his, no one can profane!

Zhao Tianyu's face is muddled. What's the situation now? Who is the man

who suddenly ran out? He also called Zhou Manchun his wife. What's more annoying is that Zhou Manchun just didn't refuse and let him hold himself in his arms.

But Zhao Tianyu has considered it. The man in front of him, with a violent temper, must be a cruel role.

"Xiaochun, who is he? Do you know him?" Zhao Tianyu asked angrily, in a sour tone.

"She's my wife. Do you think we know each other?" Jin Beisen gave Zhao Tianyu a cold squint, which seemed to be a mockery. Zhao Tianyu was a little flustered by his domineering appearance.

"No way. Xiaochun is my girlfriend. When did she become your wife? Are you married?" Zhao Tianyu was so angry that he was about to spit blood. Why didn't Zhou Manchun explain?

Zhou Manchun frowned softly, thinking that Jin Beisen's lying skill was quite high, which made Zhao Tianyu half dead. Seeing his embarrassed appearance, Zhou Manchun was also a little happy.

"We got married half a year ago, didn't we, Xiao Chun?" Jin Beisen said, stretching out his hand and gently stroking Zhou Manchun's hair. His gentle and attentive appearance is very realistic.

Zhou Manchun knows that Jin Beisen is helping her out at the moment. Of course, she is very grateful. Following Jin Beisen's words just now, she replies, "yes, yes."

"Today, you said you were going to meet your ex boyfriend. I told you a long time ago. What's the beauty of this idiot? I'm not happy to see him do

something to you. " Jin Beisen looks haughty and flirtatious. He seems to be signaling to Zhou Manchun.

"You say who is a fool!" Zhao Tianyu was so angry that he would give a fist.

"Whoever answers is who." Jin Beisen punches Zhao Tianyu twice as fast as Zhao Tianyu. Zhao Tianyu punches him with a flash of thunder. Zhao Tianyu shrinks into a group.

Zhou Manchun watched nervously and gently pulled the sleeve of Larkin Beisen and said, "come on, let's go."

Jin Beisen is not satisfied with his addiction. He stares at Zhou Manchun and seems to say, "stupid woman, that's ok?"?

Looking at his fierce and terrible eyes, Zhou Manchun dare not say more, but stay quietly aside. Zhao Tianyu doesn't know who Jin Beisen is, but she knows that he is definitely a more insidious and despicable character than Zhao Tianyu.

Jin Beisen was very satisfied with Zhou Manchun's obedience and obedience. He knew that the woman was also a wild horse that was difficult to tame. Otherwise, he would have agreed to be his woman.

"You son of a bitch dare to beat me. Nobody can leave tonight!" Zhao Tianyu was completely enraged by Jin Beisen. He swung his sleeve and untied the collar of his shirt. Jin Beisen not only scolded him but also punched him. If he didn't revenge, his name was written upside down!

## Chapter 38

"Come on, turtle." Jin Beisen has a wicked smile on his lips. At the age of 12, he is the national Sanda champion. Who is his opponent?

"I'll kill you!" Zhao Tianyu spits a mouthful of saliva. His scarlet eyes are hideous. He rushes towards Jin Beisen with all his strength.

Jin Beisen turns around nimbly and makes Zhao Tianyu jump into the air. But then, it's Jin Beisen's turn to play. He quickly catches Zhao Tianyu and puts his hands behind his back. Zhao Tianyu can't move at all and is about to bleed.

"Play with me, you're still young." Jin Beisen kicked Zhao Tianyu without changing his face. Zhao Tianyu fell to his knees with a "plop" and the sound of his knees hitting the ground was very clear.

When he raised his leg, Jin Beisen wanted to kick Zhao Tianyu again. Zhou Manchun rushed forward and stopped him. After all, she knelt down on the ground at the moment. Zhou Manchun hated him, but she still felt pity for him.

Jin Beisen didn't speak. He looked at Zhou Manchun coldly. The whole man was angry, but he stopped

"I'll spare you a dog today, but you can't live tomorrow." Jin Beisen's long and narrow eyes raised coldly and turned to Zhou Manchun.

"For Why? " Zhou Manchun was shocked by his words and asked coldly.

"What do you say?" Jin Beisen's thin lips moved gently and seemed to be cold.

Zhou Manchun looks confused. She can't guess what Jin Beisen is thinking. She can't really guess. But she can foretell that Zhao Tianyu will be in

danger.

"Go." Jin Beisen said with a cold face, as if he were issuing a signal.

Zhou Manchun carries his bag on his back and dare not stay here. Looking around, there are many people in the bar, but their eyes are full of fear and fear. They must know who Jin Beisen is!

So many people watched the battle, but no one came to persuade him to fight. Zhao Tianyu was also pitiful tonight.

Lamborghini.

"What? Still thinking about your old lover? Is it painful?" Jin Beisen asked with a sneer.

"No, I hate that it's too late." Zhou man said with pure breath, lips are lovely.

"You know what? I'm a little jealous of him." Jin Beisen stares out of the window, but his deep eyes suddenly darken. He is telling the truth. Tonight, Jin Beisen confirms his doubts. Zhou Manchun really cares about Zhao Tianyu.

In fact, he had been trying to get Zhao Tianyu in trouble for a long time. He just wanted to see what tricks he would play. Jin Beisen didn't expect Zhou Manchun's gas bag could bear it so much that he couldn't bear it.

"Are you jealous of him? Are you kidding me? He's obviously jealous of you." Zhou Manchun sneered at him incredibly. If Zhao Tianyu knew who Jin Beisen was, he would definitely regret being green!

"I envy that he knew you before I did." Jin Beisen's handsome face is

shrouded in a haze, which is his sincere words.

Is this an advertisement? Zhou Manchun is not stupid, but in front of Jin Beisen, she felt that her IQ had dropped a lot. She really didn't know!

"Thank you tonight, anyway." Zhou Manchun looked at Jin Beisen sincerely and said.

When the eyes of the two meet, Zhou Manchun feels his heart beating fast and breathing fast

## Chapter 39

But Jin Beisen's face is expressionless. All along, he is not happy or sad. He even forgot that he was an optimistic and smiling person when he was young.

Along the way, they didn't talk too much. Jin Beisen was a cold man. Zhou Manchun didn't find himself bored to avoid embarrassment.

Zhou Manchun was a little nervous in the car. He put his hand on the bag and suddenly felt something hard. Zhou Manchun suddenly remembered that it was Jin Beisen's Zorro mask.

She opened her bag and took out her mask. The silver mask was charming in the night.

"Your mask, I forgot to give it back to you last time." Zhou man said with a light voice and a red face.

"No, you can keep it. If you don't want it, you can throw it away." Jin Beisen didn't look at her, but drove the car with unchanged face. He replied simply.

"Well, I see." Zhou Manchun was a little depressed, so he put the mask back

into his bag. Last time, he went to JS international to meet Jin Beisen. He was so nervous that he didn't even take the mask back to him.

I didn't expect to be so nervous this time

It's late at night. Jin Beisen drives Zhou Manchun home and leaves alone.

When the phone rings, Jin Beisen looks at the caller ID and picks up the phone in seconds.

"President Jin, there's news from the police station." Uncle Zou's voice came from the phone.

"What is it?" Asked Jin Beisen in a calm voice.

"It is said that there is no evidence to prove that Zhou's company is related to Zhao Tianyu."

"No evidence? Then we'll make some evidence for him, and catch Zhao Tianyu in jail before tomorrow morning." Jin Beisen still spoke with his face unchanged, but his face was full of bitterness and violence.

"Did Miss Zhou upset you tonight?" Uncle Zou asked sarcastically.

"No." Jin Beisen simply refused, but Zhou Manchun's shadow lingered in his mind.

Uncle Zou's stomach is feigned. He doesn't say it. He estimates that his master and son are in love with Zhou Manchun, or they won't be so duplicative.

"Well, I'll do it right away."

In the morning of the next day, the news of Zhao Tianyu's imprisonment exploded in city A. the headlines of all the major media were about how he framed Zhou's group. Overnight, as if someone had planned, Liu Tingting was also held fast to the prison for suspected leakage of business secrets.

Zhou Manchun looks at the news on the mobile phone and incredibly rubs his eyes. Zhao Tianyu is in prison, that is to say, his father can get out of prison!

The emperor is willing to help others! Zhou Manchun looked up at the sky and said, "thank you, Grandpa God."

Zhao Lizi is also very happy, mother and daughter holding together, happy straight tears.

"Xiao Chun, it's so good. The law is fair. Your father didn't do anything bad. At last someone has cleared him up." Zhao Lizi said with tears in her eyes that the big stone in her heart was finally put down.

"Yes, it is." Zhou Manchun smiles happily, but the next second, she immediately remembers what Jin Beisen said in the bar last night. He says Zhao Tianyu can't live tomorrow!

Did Jin Beisen arrange everything?

Not waiting for Zhou Manchun to think more, her cell phone rings

Zhou Manchun went into the room to answer the phone, because it was Jin Beisen.

"How is it? Are you satisfied? " Jin Beisen smiled coldly at the end of the phone.

A chilling chill seemed to be able to pass through time and space, and a needle stuck in Zhou Manchun's heart was that she underestimated Jin Beisen's ability and means.

It turns out that he is a dangerous person who can turn over his hands to cover the clouds and rain in city a!

## Chapter 40

"When can my father come out?" Zhou Manchun frowned and worried. Jin Beisen was like a gentleman when he was good and a schizophrenic when he was not. Zhou Manchun was afraid of Jin Beisen's entrapment.

"Zhou Manchun, it depends on when you promise me. If you promise me now, your father will come out now." Jin Beisen squinted and played with an important document in his hand, which was the one that sent Zhao Tianyu to prison.

Suddenly, a cold voice came from the phone, interrupting Zhou Manchun's wandering thoughts. For a while, Zhou Manchun was too nervous to speak, and her hand holding the mobile phone trembled slightly. She whispered, "don't you want me to be willing?"

"But you are not willing now, are you?" Jin Beisen smiled shallowly. His delicate lips made a charming smile. Everything was in his plan. He was the master of the game, and naturally controlled the progress of the game.

"I promise you, whatever it is, as long as my father can come out at once." Zhou man closed his eyes painfully, and under his thick lashes was the sadness that could not be turned away.

"Well, move out tomorrow and live with me. Your father can go home before 10 a.m. and your mother and daughter can also go back to the famous city garden." Jin Beisen suddenly lies down and drills into a comfortable and soft

sofa. Over the years, he feels that he has nothing to lose, the only woman who can walk into his heart.

Perhaps, Zhou Manchun's fate as early as four years ago has been closely linked with him.

Zhou Manchun was shocked. Her eyes showed reluctance. She bit her lips, but she didn't dare to say "no".

"OK, but how can I get there?" Zhou man bites his teeth, but in the flashing eyes, she is confused. For her father and the Zhou family, she agrees.

"I'll send someone to pick you up. You and your parents have agreed that I'll give you a night." Jin Beisen's words are more like an official language, without any human feelings.

Zhou Manchun touched her heart with her hands. Her heart was shaking violently. She breathed heavily, but it was hard to hide her uneasiness.

Once cohabiting, she will become his mistress completely!

Zhou Manchun thought it was a mockery. Once upon a time, she expected a pure love and hated the kind of person who betrayed herself for the benefit of others. Now, she also fell to this point.

Jin Beisen is a man who abides by the agreement very much. Before ten o'clock in the morning, Zhou Tinghao went home.

Zhao Lizi and Zhou Manchun are waiting in the famous city garden. In order to welcome Zhou Tinghao, Zhou Manchun specially asked for half a day off.

At the moment when Zhou Tinghao opened the door, Zhou Manchun couldn't

stop her tears. She cried and fell into Zhou Tinghao's arms.

"Dad, you're back at last." Zhou Manchun cried bitterly, her heartache seemed to vanish in a moment.

These days, her life has undergone tremendous changes. Zhao Tianyu 's betrayal, Zhou family' s downfall, meeting Jin Beisen, and even becoming his woman are all unexpected.

"Silly girl, why are you crying? Didn't dad say that? Dad will come back. " Zhou Tinghao is very moved. His mouth has no bruise, but his eyes are full of heartache and tenacity.

He is the pillar of this family. For so many years, this has never happened to the Zhou family. These days, they have suffered for their mother and daughter.
